ACTE IV. PRÉLUDE et SCÈNE.

Un lieu désert sur les bords du Mincio. A ganche est une maison à deux étages presque en ruine. La facade du coté du spectateur laisse voir l'interieur d'une misérable auberge. Au rez de chaussée un escalier délabré conduit au greuier, dans l'interieur du quel on peut voir par une fenètre sans vitres, un mauvais lit. Sur la facade qui regarde la route s'ouvre une porte qui donne dans la maison. Le mur est crevassé à ce point que du déhors on peut voir ce qui se passe à l'interieur. Le reste du théâtre représente la partie déserte du Mincio sontenue par no parapet en ruine. A l'horizon les clochers de Mantone, il fait muit.

SCÈNE 1. Gilda et Rigoletto sur la route Sparafueile dans l'auberge assis près d'une table est occuper à aigniser son épée sans rien entendre de ce qui se passe au déhors.
